

COACHES COMBINE

ABOUT

Hoops Capital Coaches Combine

The Hoops Capital Academy Coaches Combine, led by the Sydney Kings and Sydney Flames, will launch in December 2022. The program is designed to unite coaches of all levels in NSW and aims to provide coaches a series of unique experiences, opportunities and insights into professional basketball.

Invited to the inner sanctum, coaches will be provided with access to a variety of assets that will be relevant at all levels of coaching, from player and personality management to game day preparation and coaching the one percenters.

The program will be delivered in various formats including face to face sessions with the Sydney Kings and Sydney Flames, as well as online lectures, game day experiences and access to a monthly newsletter.

Hoops Capital and Hoops Capital Academy have significant and far reaching expansion plans that can only be achieved through the creation of a reliable pipeline of coaches flowing through the various programs, with the possibility of obtaining assistant coaching roles at the Kings and/or Flames.

Just like the Hoops Capital Academy, the aim of the Coaches Combine will be to provide a linear pathway for coaches into professional ranks - an unmatched opportunity to coach at the elite level of the sport.

The program will be **free of charge**.
